1 SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, visit our website at CapitalBlueMedicare.com. You may also call us and ask us to mail you an Evidence of Coverage.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **BlueJourney Essential (HMO), BlueJourney Value (HMO) and BlueJourney Premier (HMO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **BlueJourney Essential (HMO), BlueJourney Value (HMO)** and **BlueJourney Premier (HMO)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on Medicare.gov.
- If you want to know more about the coverage and costs of Original Medicare, look in your current **"Medicare & You"** handbook. View it online at Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Which doctors, hospitals, and pharmacies can I use?

BlueJourney Essential (HMO), BlueJourney Value (HMO) and **BlueJourney Premier (HMO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. If you don't use providers in our network, your services will not be covered and you will pay more, except for emergency and urgent care.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider/pharmacy directory at our website (CapitalBlueMedicare.com). Or, call us and we will send you a copy of the provider/pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, CapitalBlueMedicare.com.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact Capital Blue Cross.

Coverage Gap	The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $4,660. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total $7,400, which is the end of the coverage gap. As part of the Part D Insulin Saver Program, you will continue to pay the same copays during the Coverage Gap Stage as you did in the Initial Coverage Stage (listed above) for insulins. Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit CapitalBlueMedicare.com or call 1-800-779-6962 (TTY 711) to view a copy of the EOC.
