Section 1.5 Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” **You can get the complete Drug List** by calling Customer Service (see the back cover) or visiting our website (**myuhc.com/CommunityPlan**).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your

options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” you will receive a “LIS Rider.” If you don’t receive it, please call Customer Service and ask for the “LIS Rider” to be sent to you.

There are four “drug payment stages.”

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you, even if you haven’t paid your Part D deductible. Call Customer Service for more information.

Important Message About What You Pay for Insulin - You won’t pay more than \$35 for a one-month supply of each insulin product covered by our plan, even if you haven’t paid your Part D deductible.

Changes to the Deductible Stage

Section 2 Deciding Which Plan to Choose

Section 2.1 If You Want to Stay in UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP)

To stay in our plan, you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP).

Section 2.2 If You Want to Change Plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- ☐ You can join a different Medicare health plan,
- ☐ – **OR**– You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the **Medicare & You 2023 handbook**, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

As a **reminder**, UnitedHealthcare Insurance Company or one of its affiliates offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- ☐ To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP).
- ☐ To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP).
- ☐ To **change to Original Medicare without a prescription drug plan**, you must either:
 - ☐ Send us a written request to disenroll or visit our website to disenroll online. Contact Customer Service if you need more information on how to do so.
 - ☐ – **or** – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

Section 3 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 to December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug

coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Section 4 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Florida, the SHIP is called Florida Serving Health Insurance Needs of Elders (SHINE).

It is a state program that gets money from the federal government to give **free** local health insurance counseling to people with Medicare. Florida Serving Health Insurance Needs of Elders (SHINE) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Florida Serving Health Insurance Needs of Elders (SHINE) at 1-800-963-5337.

For questions about your Florida Medicaid Agency for Health Care Administration (AHCA) benefits, contact Florida Medicaid Agency for Health Care Administration (AHCA), at 1-888-419-3456, 8 a.m. - 5 p.m. ET, Monday - Friday. TTY users should call 1-800-955-8771. Ask how joining another plan or returning to Original Medicare affects how you get your Florida Medicaid Agency for Health Care Administration (AHCA) coverage.

Section 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- ☐ **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles, and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
 - ☐ 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
 - ☐ The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call 1-800-325-0778; or
 - ☐ Your State Medicaid Office (applications).
- ☐ **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on

eligibility criteria, covered drugs, or how to enroll in the program, please contact the ADAP in your state. You can find your state's ADAP contact information in Chapter 2 of the **Evidence of Coverage**.
