Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday; 8 a.m. to 8 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll.
Visit **CarePlusHealthPlans.com/medicare-plans/2023** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the provider directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium may be covered through the Florida Medicaid Program.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2024.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.

2023 Summary of Benefits

This booklet gives you a summary of what **CareOne Plus (HMO-POS)** covers and what you pay. It does not list all plan benefits or every limitation and exclusion. For a complete list of covered services, please refer to the plan's Evidence of Coverage on our website, **CarePlusHealthPlans.com/medicare-plans/2023**, or call us and we will send you a copy. We will automatically mail it to you after you enroll.

Tips for comparing your Medicare choices

- To compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **Medicare.gov**.
- To learn more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **Medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY: **1-877-486-2048**.

Who can join CareOne Plus (HMO-POS)?

To join **CareOne Plus (HMO-POS)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Florida: Lake, Marion, Orange, Osceola, Seminole, Sumter.

Which doctors, hospitals, and pharmacies can you use?

CareOne Plus (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. Generally, if you use providers outside our network, the plan will not pay for these services; however, **this plan covers certain services for members while visiting Puerto Rico**. Benefits covered out-of-network in Puerto Rico are indicated in the benefit chart in this booklet.

Prior authorization or a referral may be required for covered medical services.

You must generally use network pharmacies to fill your prescriptions for Medicare-covered Part D drugs. There are network mail-order pharmacies that offer preferred cost-sharing. You may pay less if you use these pharmacies.

To see our provider directory, visit our website at **CarePlusHealthPlans.com/directories**, or call us and we will send you a copy.

What does this plan cover?

CareOne Plus (HMO-POS) covers everything that Original Medicare covers - and *more*.

In addition to medical services, we cover certain Part D and Part B drugs such as chemotherapy and some drugs administered by your physician. See the Evidence of Coverage for more information.

To see our list of covered prescription drugs and any restrictions, visit **CarePlusHealthPlans.com/medicare-plans/2023-prescription-drug-guides**, or call us and we will send you a copy.

How to determine your drug costs

Medications are listed in one of five tiers. Use our Drug Guide to determine the tier of your drug. The amount you pay depends on its tier and your stage of drug coverage.

Do you have Medicare and Medicaid? If you are enrolled in both Medicare and Medicaid, **you may not have to pay the medical costs displayed in this booklet and your prescription drug costs will be lower.** Please contact us to learn more about this.
